

Customer Supplied Parts & Customer Installed Parts

The policy in relation to customer supplied parts and/or installed parts outside of DG's Pro Tech is limited to the discretion of Dustin Golley and/or the necessary parts suppliers. Repairs, installations or modifications of a vehicle outside of DG's Pro Tech may result in a void in warranty of the parts as well as labor cost related to possible failed workmanship during install.

The parts and/or vehicle must be inspected by DG's Pro Tech prior to any warrantable concern validation. As a convenience to our valued customers, DG's Pro Tech may offer a limited warranty upon a visual inspection of the component, and if warranted, a deconstruction and diagnosis to the full satisfaction of Dustin Golley.

I have read the above statement and agree to the terms and conditions of the agreement related to the INV number.
