

Storage fee Disclaimer - updated July 2025

Rate calculated at \$45.00 per day

The terms and conditions of DG's Pro Tech related to storage fees of the vehicle are calculated at a rate of \$45.00 per day at the discretion of the owner. Storage fees will begin 1 week after either:

1. Completion of repairs
2. Completion of diagnostic and/ or inspection when no repairs are to follow

These fees will be invoiced and added to the customers total

I understand I will have access to the vehicle to remove personal property between 8AM and 5PM on all business days. I agree payment is requested in full prior to removing the vehicle from the business property. Payment method includes e transfer, direct debit, cash, credit card and certified cheque or bank draft.

Towing can be arranged by customer if vehicle is not mobile
